CRIMINAL INVESTIGATIONS

MILITARY POLICE INVESTIGATORS:

- Changes to T/O completed, published in Aug ’01 troop list
- 13 of 102 assets are on deployable T/O
- All others are on base/station T/O
- New MPI badges and credential cases have been purchased
- New MPI credential has been developed and will be available for issue circa February ’02

CRIMINAL INVESTIGATIONS

MPI AREAS OF CONCERN:

- Tier III declinations by NCIS
- MPI report writing via MCIBRS
- Recruitment, screening, training of future 5821 personnel
  - -- Need to produce 10 per year
  - -- 8 new 5821s created in CY 2001
  - -- 5821 population is at 84% T/O
- 2001 T/O Validation Tiger Teams found MPI offices adequately staffed

CRIMINAL INVESTIGATIONS

MARINE SPECIAL AGENTS:

- Completion of T/O changes will bring about manning of non-traditional investigator billets
  - -- Investigators assigned to Norfolk and King's Bay
  - -- Summer '02 will see Naples, Pensacola, New Orleans

- Senior MSA completed first-line supervisor course at FLETC (Course for Supervisory Special Agents, GS13)
-
- MOS Manual has been changed to reflect new

CRIMINAL INVESTIGATIONS

AREAS OF CONCERN FOR MSA:

- MOU update/revision
  - -- Contingency deployment of investigators
  - -- Joint civilian/Marine investigative team

- Development of supervisory responsibilities inside NCIS
- FLETC vs. Ft. Leonard Wood for Basic Inv Course

- Maintaining Marine Corps readiness in the civilian environment
